I, the undersigned Customer, hereby request that my water meter assigned to the above noted account and address to be disconnected from Mustang SUD (the "District") service and that my deposit be refunded to me if not done previously. If I should ever want my service reinstated at this address, I acknowledge that I may have to reapply for service as a new member and pay all fees required by the District's Rate Order in effect at that time. I understand that the District's ability to provide service in the future will be dependent upon system capacity, which may be limited, and that capital improvements will be constructed at my cost. I further represent to the District that my spouse joins me in this request and I am authorized to execute this request for service discontinuation on behalf of my spouse.
